## General Announcements

You can see all the announcements that each of your Professors has posted by clicking on “Announcements”. These are the general announcements.

The screenshot shows the Blackboard user interface for a student named Michelle. At the top, there is a navigation bar with the John Jay College logo and links for Home, Help, and Logout. Below this is a secondary navigation bar with tabs for My Institution, Courses, Community, Library, John Jay, CUNY, HETS, and E-mail. The main content area is titled "Welcome, Michelle" and features a "Tools" menu on the left. The "Announcements" link in the Tools menu is circled in red, with a red arrow pointing to it from the text above. The main content area contains three announcement boxes: "My Announcements" (no announcements today), "CPE ANNOUNCEMENT" (regarding a CPE exam), and "CUNY Portal and Blackboard Status" (regarding a date change). The right sidebar shows "My Courses" and "My Organizations".

## *Your Classes*

All the classes that you are enrolled in should appear on the right side of the screen under “My Courses,” unless your Professor did not add you to his or her class.

You can then click on a class that you wish to see and get more information on.

## *Announcements (Specific)*

On the left side of the screen there are several options that you can choose from. Some professors can have more or less options than others. Some options can also be worded differently. In the “Announcements” button you can see if the professor, *specific to that class*, has any announcements posted for the students.

The screenshot shows the Blackboard Academic Suite interface. The left navigation menu is highlighted with a red circle, and a red arrow points from the 'Announcements' button to the main content area. The main content area displays the course 'LIT 230 16: CLASSICAL LITERATURE [0923]' and the 'ANNOUNCEMENTS' section. The announcement for 'Wed, May 14, 2008 -- Final Exam study sheet' is visible, along with a table of names.
