@theblueengine

Blue Engine

<http://blueengine.org/>

Blue Engine is looking to hire Blue Engine Teaching Apprentices (BETAs) for its 2018 - 2019 BETA cohort. Blue Engine recruits, trains, and matches a team of three BETAs with a teacher in English Language Arts (ELA) or algebra in 8th, 9th, or 10th grades (where Blue Engine currently focuses). More adults in the classroom reduces the teacher to student ratio from about 30:1 to 6:1 enabling teachers to build authentic relationships with students, provides significantly more instructional hours during class and before/after school and differentiates, individualizes, and personalizes instruction. The teacher-BETA collaboration enables daily student-centered reflection and learning that improves teacher practice. No student goes unseen or heard.

New York Hotel and Motel Trades Council, AFL-CIO

<http://www.hotelworkers.org>

@nyhtc

The Hotel Trades Council, AFL-CIO (HTC) is the union of workers in the hotel, gaming and racing industries in the greater New York City metropolitan area (including Northern New Jersey) and the Capital District of New York State.

Our union's membership of 32,000 is extraordinarily diverse and includes large numbers of immigrants and women. HTC is widely recognized as the strongest and most successful local union, with the best union contract for hotel workers in the world. The New York City hotel industry has been experiencing a prolonged construction boom and it is vital to our members, and to those who work without the dignity of a union contract, that we maintain and improve union density in our industry. HTC is building a larger internal and external organizing program, to mobilize our members and unionize non-union workers on a mass scale. So, there are job openings with HTC for talented, hard-working, college graduates who are ready to join the fight in the labor movement.

Newark Community Solutions

<http://www.courtinnovation.org/project/newark-community-solutions>

Launched in Spring 2011, Newark Community Solutions is a community justice initiative that applies a problem-solving approach to low-level cases in Newark, New Jersey's municipal courthouse. Newark Community Solutions's goals are twofold: to provide judges with increased sentencing options for non-violent offenses such as drug possession, prostitution, and shoplifting and to improve public perceptions of justice. By combining punishment with help, Newark Community Solutions seeks to promote the use of community service and social service mandates, reduce the court's reliance on ineffective fines and expensive short-term jail sentences, and build public confidence in justice. Newark Community Solutions builds on lessons learned from successful community courts throughout the country, which have reduced local crime, improved compliance with sanctions, and strengthened the connections between courts and communities.

San Francisco Police Department

<http://www.sfgov.org/police>

@SFPD

The City and County of San Francisco invites you to join a highly respected police department and serve the citizens of one of the most beautiful cities in the country. San Francisco Police officers perform a wide variety of essential duties to promote public safety and security and enforce the law. Our officers patrol districts to prevent and detect crime, respond to calls for assistance, conduct criminal investigations, pursue and arrest suspects and enforce traffic and parking laws. Our Mounted Unit, Marine Unit, K-9 Unit and Traffic Company ensure that SFPD is able to help keep the public safe, no matter the terrain.

SFPD officers also work closely with San Francisco's diverse communities to build cooperation and support in order to address crime and quality of life issues in our City's neighborhoods.

Serving the City as a San Francisco Police officer is much more than a job; it is an opportunity to build a career of which you can be proud.

Securitas Critical Infrastructure Services (SCIS) Investigation Division

<http://www.scisbjobs.com>

Securitas Critical Infrastructure Services (SCIS) continues to build our Investigations Division by fully empowering employees, leveraging their talents, and developing our personnel for sustained stability and success. It all begins with hiring the right people committed to our national security mission!

Employees of the Investigations Division are empowered to be part of the solution to grow the business, help drive performance, and create an environment where employees – regardless of position or geography – are positioned for success!

A cornerstone of the SCIS philosophy is two-way communication. Too often, a corporate, top-down culture overlooks the value of employee input and instead, characterizes a single email blast to employees as “effective communication”. At SCIS, we take a different approach, having established numerous communication vehicles and inviting constructive feedback from all employees. Many times, suggestions are embraced and an individual employee leads
