

DENNIS JAY KENNEY

3227 Volta Place
Washington, D.C. 20007
(202) 258-2562

EDUCATION

B.A. – Saint Leo College, 1979

M.A. – Rollins College, 1981

Ph.D. – Rutgers University, 1986

CAREER OUTLINE

PROFESSOR, John Jay College of Criminal Justice, City University of New York. September 1999 – Present.

Member of the Graduate Faculty (2000-)

Member of the Doctoral Faculty (2000-)

ASSOCIATE DIRECTOR AND DIRECTOR OF RESEARCH for the Police Executive Research Forum (Washington, D.C.), August 1994 – September 1999.

ASSOCIATE PROFESSOR (1991); Assistant Professor (1987) of Criminal Justice, University of Nebraska at Omaha. August 1987 - August 1994.

Member of the Graduate Faculty (1987-)

Member of the Faculty Senate (1991-1993)

PROJECT DIRECTOR for the Police Foundation (Washington, D.C.), August 1988 - August 1990.

DIRECTOR OF RESEARCH AND PLANNING for the Savannah, Georgia Police Department, June 1986 - July 1987.

ASSISTANT PROFESSOR of Justice and Law Administration, Western Connecticut State University, August 1983 - August 1986.

TEACHING/GRADUATE ASSISTANT at Rutgers University's School of Criminal Justice, September 1981 - June 1983.

POLICE SERGEANT (1976); Detective (1975); K-9 Officer (1974); and Patrol Officer (1974) at the Bartow, Florida Police Department, January 1974 - June 1981.

AWARDS, HONORS, AND OTHER

Participant on an advisory board to the Thailand Institute of Justice on matters of organization and research focus. Bangkok, Thailand, September 12 – 17, 2012.

Editor of *Police Quarterly*. January 2002 – December 2008.

Participant in the *President's Roundtable on School Violence*. The White House, March 1998.

Subject of the December 1997 NIJ Research in Progress Seminar and video on "Crime in the Schools: A Problem-Solving Approach."

Editor of the *American Journal of Police*. October, 1991 – August 1995.

Selected to *Who's Who in America*, 2000-

Selected to *Who's Who Among American Teachers*, 1994 –

Dean's Award for an Outstanding Dissertation (*Examining the Role of Active Citizen Action in the Law Enforcement Process*). Rutgers University, May 1986.

Awarded a National Institute of Justice fellowship to participate in a *Seminar on Quantitative Analysis of Crime and the Criminal Justice System* at the Inter-University Consortium for Political and Social Research, University of Michigan, July 1982.

Cited in a citywide proclamation by the Bartow, Florida City Council for outstanding service as a member of that city's police department, June 1981.

FUNDED RESEARCH AND STUDIES

Public Perceptions of Yemeni Police (Project Director, \$100,000). Funding from the United Nations Development Program to conduct national surveys of Yemeni citizens and police and examine police-community relations and police performance in Yemen in an effort to establish specific plans to advance the fundamentals of democratic policing.

Fostering a Culture of Lawfulness in Mexico (Co-Principal Investigator, \$750,000). Grant from the U.S. Department of State to evaluate programs that promote the rule of law among Mexican students and police. Program activities are concentrated in Mexico City and Mexican communities along the U.S./Mexico border.

Fostering a Culture of Lawfulness in the Colombian National Police (Co-Principal Investigator, \$549,233). Grant from the U.S. Department of State to develop and test programs to reduce corruption and enhance support for the rule of law among members of the Colombian National Police.

Police Integrity Education and School-Based Culture of Lawfulness Education in Panama (Co-Principal Investigator, \$461,566). Grant from the U.S. Department of State to develop and test programs reduce corruption among Panamanian police and promote support among police and students of a culture of lawfulness.

Public Perceptions of Albanian Police (Project Director, \$30,000). Grant from the United Nations Development Program to conduct national surveys of Albanian citizens and police and examine police-community relations and police performance in Albania in an effort to establish specific plans to advance the fundamentals of democratic policing.

Cultural Awareness and Diversity: Issues for the Police (Project Director, Phase 1: \$450,000; Phase 2: \$250,000). Grant from the Bureau of Justice Assistance to examine police-race relations in New York City, Chicago, Houston, Atlanta, and Los Angeles in an effort to identify the important issues and develop a comprehensive model program of training and development.

Responding to Bank Robberies: Providing Internet Access to Police (Project Director, \$143,350). Grant from the Eastern Kentucky Regional Community Policing Institute to examine the feasibility of providing police responding to robbery alarms with direct Internet access to bank security systems. Technical and operational issues are examined.

Assessing the Fit Between U.S. Sponsored Training and the Needs of Ukrainian Police Agencies (Project Director, \$246,245). Grant from the International Center of the National Institute of Justice to examine the content, delivery, and impact of training

sponsored by the United States Department of State for Ukrainian police agencies and officers. Recommendations concerning the content of current training and the processes of needs assessment for future training efforts were developed.

The Force Factor: Measuring Police Use of Force Relative to Suspect Resistance (Co-Principal Investigator, \$270,173. Project Director: Geoffrey Alpert, University of South Carolina). Grant from the National Institute of Justice to examine the use of police force as it relates to the resistance met by officers. Model data collection and analytic methods to examine the police uses of force are expected from the research.

Problem Solving Partnership Evaluation (Project Director, \$346,845). Grant #97-IJ-CX-0046 from the Office of Community Oriented Policing Services to document, examine, assess and assist the activities and results of 470 individual problem solving partnership grants. Policy and training recommendations resulted from the research.

Evaluating the Effects of Fatigue on Police Patrol Officers and Their Relations with the Community (Project Director, \$285,123). Grant #96-IJ-CX-0046 from the National Institute of Justice to explore factors contributing to the fatigue of officers and examine the impacts of fatigue on officer performance, health, satisfaction, and safety.

Facilitating Organizational Change: Shaping Philosophies Through Individual and Organizational Evaluations (Co-Principal Investigator, \$199,975. Project Director: Geoffrey Alpert, University of South Carolina). Grant from the National Institute of Justice to examine the ability of police agencies to shape officer actions and policing philosophies through departmental evaluations of individual performance, unit tactics, and agency programs.

Evaluating the Texas Regional Community Policing Institute (Project Director, \$49,956). Grant from the Sam Houston State University to evaluate the content, delivery, and impact of training programs developed for and delivered by the Texas RCPI. Recommendations for improvements are included.

A Public Safety Perspective on Abortion Clinic Violence: Protecting the Rights of the Community (Project Director, \$400,000). Research funded by the Kaiser Family Foundation to examine the nature and extent of abortion related violence to result in policy recommendations for police and others involved with the issue. A continuation grant (\$200,000) was received to disseminate project results through a series of workshops for police managers.

Community Policing Consortium (Project Director for PERF subcontracts, \$3,724,115). Grants #95-CK-WX-K001, 96-CK-WX-K001, 97-CK-WX-0029, and 98-CK-WX-0072 received

from the Office of Community Oriented Policing Services to develop and disseminate problem-oriented policing capabilities including crime analysis, models of problem solving (expert and collaborative skills and supervision), and internet applications to link officers from differing communities.

Improving School Safety by Empowering Students in the Educational Process (Project Director, \$168,214). Grant #93-IJ-CX-0026 received from the National Institute of Justice to develop and evaluate a program of community involvement designed to reduce crime and fear in an urban high school.

Police Pursuit Driving and Use of Excessive Force (Co-Principal Investigator, \$199,996. Project Director: Geoffrey Alpert, University of South Carolina). Grant #93-IJ-CX-0061 received from the National Institute of Justice to examine the problems associated with police pursuit driving and the resultant use of police force.

Comprehensive Gang Initiative (Project Director, \$624,916). Cooperative Agreements #91-DD-CX-K058 and 95-DD-BX-0069 received from the Bureau of Justice Assistance to develop and provide technical assistance to demonstration cities using problem-solving methods to confront urban gang problems.

Domestic Terrorism: Developing a Federal Response (Project Director, \$39,875). Grant #89-DD-CX-K016 received from the Bureau of Justice Assistance to explore the problem of domestic terrorism and outline a proposed federal agenda of response and assistance at the state and local level.

Law Enforcement Handling of Juvenile Offenders (Project Director, \$398,000). Grant #87-JS-CX-K097 received from the Office of Juvenile Justice and Delinquency Prevention to examine current methods and practices and develop model programs for handling of juvenile offenders by law enforcement agencies.

Technical Assistance and Training: Support for the Implementation of Effective Law Enforcement Programs (Project Director, \$1,331,836). Grants #86-SA-CX-K034 and #89-ST-PX-K001 received from the Bureau of Justice Assistance to develop and provide programs of assistance to law enforcement agencies in the areas of crime and operations analysis; strategic and long-range planning; and methods of combating property, organized, and white-collar crime.

An Analysis of Emergency Services in York County, Nebraska (Primary Consultant, \$27,000. Project Director: Bill Gay, University City Science Center). Consulting contract received from a joint city/county committee to examine the delivery of emergency services in York

County and develop recommendations for improved effectiveness and efficiency.
