Research Experience

Areas of Interest

Quantitative Methods
Juvenile Justice
Deviance and delinquency
Parental and Caregiver Bonds
Youth Cognitive Development
Intimate Partner and Domestic Abuse

Research Experience

2023 **Research Assistant**

New York Criminal Justice Agency
299 Broadway, New York, NY 10007
Experiences coming soon.

2020 **Research Assistant**

CUNY John Jay College of Criminal Justice
524 West 59th Street, New York, NY 10019
Supervisor: Kevin Wolff, PhD

- Maintained organized and synthesized excel spreadsheet on covariate variables relevant to Anderson Street codes, criminological theories, and juvenile recidivism.
- Developed manuscripts, literature reviews, and meta-analysis content work for contribution to publication.
- Managed statistical and analytical processes from secondary data and resources.

2019 **Research Assistant**

CUNY John Jay College of Criminal Justice
524 West 59th Street, New York, NY 10019
Supervisor: Amy Adamczyk, PhD

- Administered surveys and questionnaires to six undergraduate classes assessing student success rate based on the relationship between students who were and were not in an internship.
- Formulated excel spreadsheet to clean and synthesize collected data which would then be used to conduct statistical analysis using SPSS.
- Created a manuscript analyzing the findings of the study for prospective researcher publication.

2019 **Research Intern**

Vera Institute of Justice
34 35th St Suite 4-2A, Brooklyn, NY 11232
Supervisor: David Pitts, PhD

- Administered phone interviews to U.S. prisons with restrictive housing to address the well-being between correctional officers and inmates.
- Developed cover letters and drafted surveys as contribution to the start of the research process led by the Center for Sentencing and Corrections (CSC).
- Formulated excel spreadsheets to clean existing data and collected data for research analysts to conduct research analysis.

2018 **Research Assistant**

CUNY John Jay College of Criminal Justice
524 West 59th Street, New York, NY 10019
Supervisor: Jason R. Silva, PhD

- Maintained organized and synthesized excel spreadsheet on existing data regarding media perception and situational crime awareness of mass shooting, terrorism, and violence.
- Provided manuscript and literature review for contribution to the project manager's publication.
- Developed analytical procedures for measuring covariate variables on media, terrorism, and school shooting and violence variables.

Publications

Manuscripts

2020 Intravia, J., Villavicencio, B., Wolff, K., & Baglivio. "Adherence to the street code and juvenile recidivism."
