Things to Consider…

Where you live impacts your TIME & MONEY!

- Consider your commute time (check Google Maps for bus/train routes)

- Determine the cost of your commute ($2.75 single ride on Metro, or $121/month for unlimited)

- Calculate the cost of having a car in NYC (insurance, gas, and parking average $500/month)

- Talk to fellow student veterans in the John Jay Veterans Association for additional help on navigating NYC housing (consider roommate/s)
