

NEW JOHN JAY PARENT RESOURCES

The official newsletter of Parent and Family Programs

Welcome new Bloodhound Parents and Family Members!

The Office of Student Transition Programs is very excited for you and your new student to be joining the John Jay College community!

As the Office of Student Transition Programs, we help you and your student successfully transition into college. Unfortunately, due to COVID-19, we are unable to host our New Student and Parent Orientation sessions in person, however we wanted to ensure that you still received important information on resources, updates, how to stay involved and more through our newsletter.

Your student's orientation sessions have moved into the virtual world as well. Your student will learn more about John Jay by completing Orientation through our online portal and attending sessions hosted on Zoom.

It's a fact: people don't mind scrolling to read an email, as long as it's relevant and interesting. Make sure your message follows through on the promise in your subject line, and use several short paragraphs if you have a lot to say. When in doubt, challenge yourself to write less and add links that support your topic.
