

Mission:

We support the college in fulfilling its mission by facilitating planning, assessment, informed and strategic decision-making, and academic excellence.

GOALS 2022-2025

- Develop college efficacy to plan and align goals at all levels
- Communicate assessment of progress to goals across the college
- Support informed decision making college-wide
- Foster accountability and strategic thinking toward equitable outcomes
- Build capacity in support of program development and improvement by advancing the quality and varieties of instruction across delivery modes
